

— Call for applications: Scholarship STAY! for female post-docs

In the course of strategic planning, the Albert-Ludwigs-University Freiburg aims at promoting young female post-docs in their scientific career.

For the fifth time since the beginning of the identically named scholarship programme the **New Freiburg University Foundation** as well as the **University of Freiburg** promoted by the **Foundation of Education Rhenania e.V.** and **Alumni Freiburg e.V.** now grants

**three STAY! scholarships
starting on October 1st 2013.**

The scholarship STAY! will be granted as 6 + 6 months scholarship to **four female post-docs** who decided to continue their academic career but who could not yet ensure follow-up financing. **The PhD should normally date back no more than 12 months.**

Thus, talented female scientists shall be given the essential freedom to compose an exposé for a project or habilitation dissertation (6 months) and subsequently apply for suitable positions in projects or research scholarships, respectively habilitation scholarships (+ 6 months).

The STAY! scholarship is principally granted as full scholarship. The duration of the scholarship thus lasts maximally **12 months** with a monthly sum of **€ 1,300**, and an additional € 200 per child.

Please apply until **August 26th 2013** (date of postmark) to:

Albert-Ludwigs-Universität Freiburg
